TECHNICAL REQUIREMENTS

Baltic Championships – UIM technical requirements apply to the all classes.

INSPECTION

Technical Inspection shall be according to UIM rules. It is the Team's responsibility to report to the inspection area allowing adequate time for both pre- and post-race inspection and registration based on announced time schedule. Paddock crews will be responsible for assisting in weighing and in all inspection procedures. The organisation, its members, race sponsors and crane/forklift owners or operators accept no responsibility for injury, damage or any loss incurred while operating cranes or other equipment (whether weighing, lifting or other), at race site.

PIT PROCEDURES

Access to pit area will only be allowed to the persons and vehicles holding the official ABP paddock passes (seasonal or one event). Trailers / dollies must have Jet Ski's numbers and/or rider's name on the tongue for identification. Teams shall maintain flow patterns through the pit area, and shall not go against traffic. There shall be no smoking or open flames at the wet or dry pit area at any time. No alcohol is allowed in the pit area and drinking of alcohol is forbidden for team members during event hours.

RACE NUMBERS

The size of the background of the numbers is at least 30 cm x 30 cm. The height of the numbers must be (at least) 22 cm and the distance between the numbers must be (at least) 13 mm, the numbers will be printed black (Arial Black) on white background for all categories.

Race numbers not conform integrated in the Aquabike livery can be accepted as long as clearly readable by the timing officers and race officials.

START LINE

ROLLING START

Starting positions, in the first heat (moto 1) riders draw lots, choosing a starting position based on the number drawn. In the second and third heats (moto 2 and moto 3), they choose based on the place they took in the previous heat.

RUNABOUT all classes one start line is 20 drivers.

SKI all classes one start line is 20 drivers.
